Rural Pharmacy Scholarship Scheme (RPSS)

Student's Name: .....

Mentor's Name: .....

University: .....

Year of Study: .....
(1st, 2nd etc.)

Calendar Year: .....

Your Objectives

	1	2	3
The Goals – Specify what you want to achieve in your scholarship year. Examples are: further develop your understanding of challenges and rewards of rural health practice, increase your understanding of delivery of a rural health service or program, increase your exposure to rural health issues			
The Means – Outline strategies to achieve the goals you have chosen. Examples are: through mentor contact, active participation in rural activities with your Rural Health Club, rural placements through your university etc.			

Example Only – this form should be completed and submitted online

Australian Government
Department of Health and Ageing

The Pharmacy Guild of Australia

This project is funded by the Australian Government Department of Health and Ageing as part of the Fifth Community Pharmacy Agreement.

The Milestones – These will show progress towards achieving your goals. Examples are: completion or partial completion of an activity such as contact and visits with your mentor, completed visits with rural high school students, challenges encountered and overcome during the year both personally and in the rural health setting.			
The Acquittal – Indicate a time line to reach milestones for the goals you have chosen. (note: acquittal of your learning plan is a major component of your formal report due December each year)			

Example Only – this form should be completed and submitted online
