## Rural Pharmacy Scholarship Scheme (RPSS)

### Introduction

This document outlines the Program Specific Guidelines governing the provision of the Rural Pharmacy Scholarship Scheme (a component of the Rural Pharmacy Workforce Program). They are to be read in conjunction with the Fifth Community Pharmacy Agreement General Terms and Conditions.

Funding is provided under the Fifth Community Pharmacy Agreement (5CPA) for the Rural Pharmacy Scholarship Scheme (RPSS).

### Background

The Rural Pharmacy Scholarship Scheme is an initiative of the Rural Pharmacy Workforce Program established in recognition of the key role pharmacists play in maintaining the health of all Australians, particularly in rural and remote Australia.

The aim of the RPSS is to provide financial support to encourage and enable students from rural areas of Australia to undertake undergraduate or graduate entry studies in pharmacy at University.

Scholarships have a value of \$10,000 per year (GST exempt) per student for the duration of undergraduate or graduate study, with a maximum amount of \$40,000 per student over a four year period.

These Guidelines are to assist applicants in completing the Application Form by providing explanatory information on each question. The Guidelines also outline arrangements for ongoing participants in the Scheme. Applicants should take time to read the Guidelines before attempting to complete the form.

Key terms used in the eligibility and ranking criteria are described in the Glossary at Section L of the 'Notes on Completing the Application Form'.

### Participation Requirements

#### Student eligibility

In order to receive a scholarship, applicants must meet the following preliminary eligibility criteria. The applicant must:

1. Be an Australian citizen or permanent resident
2. Be enrolled or about to be enrolled, as a full-time student in a pharmacy undergraduate or graduate degree at an Australian University that leads to a registrable qualification as a pharmacist. Scholarships are available to students in any year of their undergraduate or graduate degree.
3. Have resided in a defined rural area (see Section L) for a minimum of five consecutive years, or eight cumulative years from the age of five years. The assessment of residency will be based on the applicant's principal home address.
4. Be a member of the student Rural Health Club or a member of the Universities affiliated Rural Health Club. Applicants who are not a member of a student rural health club must indicate their intention to join a rural health club, and provide proof of membership before receiving any scholarship payments. If the University campus at which the applicant is enrolled does not have a rural health club, the applicant must be a member of or indicated their intention to join their nearest affiliated rural health club.

## Eligible Rural Locations

For the purpose of the Rural Pharmacy Scholarship Scheme, 'Rural' will be determined by the Pharmacy Accessibility Remoteness Index of Australia (PhARIA).

Applicants with a principal home address in the following PhARIAs will be deemed eligible:

PhARIA 2 – 6

PhARIAs for a particular location can be found by visiting the following website:

<http://gisca.adelaide.edu.au/projects/pharia.html>

The Guild reserves the right to determine whether a location is deemed eligible based on the categories above.

## Course eligibility

Scholarships are available to full-time students enrolled in or applying for entry to an undergraduate or graduate pharmacy degree at an Australian University. The degree must lead immediately to registration as a pharmacist.

## Application Process

Scholarships are advertised on an annual basis. The applicant must submit an official electronic application form in order to be considered for a scholarship. Applications must be submitted to, and received at the Guild by 5pm (Eastern Summer Time) on the advertised closing date. Late applications and incomplete applications will not be assessed.

Application forms can be completed and submitted via [www.ruralpharmacy.com.au](http://www.ruralpharmacy.com.au) once the annual round has opened. Applications will be assessed according to the eligibility criteria and then ranked according to the three ranking criteria detailed below.

Any unsuccessful applicant for the scholarship is entitled to reapply for the scholarship the following year and will be assessed against the criteria that are in effect on the date the re-application is received by the Guild.

Scholarship applicants must not currently be in receipt of an Aboriginal and Torres Strait Islander Pharmacy Scholarship at the time of application.

## Ranking

In order to select scholarship candidates, all eligible applicants will be ranked according to the following three criteria:

1. rural experience
2. attendance at rural primary school
3. financial need.

*Conditional Scholarships* will be offered to the highest ranked applicants first. Awardees of *Conditional Scholarships* will be requested to provide certified supporting documentation (e.g. birth certificate, confirmation of enrolment, ATO Notice of Assessment, Statutory Declaration etc.). Documentation will be verified and scholarships will be confirmed by email.

Discrepancies between certified supporting documentation and the information contained in the application form, or the failure to provide supporting documentation by the due date, may result in the offer of a *Conditional Scholarship* being withdrawn.

If an applicant declines a *Conditional Scholarship* the place may be awarded to the next highest ranked applicant.

Where two or more eligible applicants receive an equal ranking, preference will be given to the applicant with the greatest financial need. If two or more applicants have an equal ranking and equal financial need, interviews may be held to determine the most suitable candidate.

## 1. Rural experience

Rural experience will be assessed using the applicant's *principal home address*. The maximum number of years contributing to the rural experience criterion is twelve years. The *assessment of rural experience* for each applicant will commence at five years of age.

Students who attended boarding school will not be disadvantaged. See the definition of *principal home address* in the Glossary at Section L of the 'Notes on Completing the Application Form'.

## 2. Rural primary school attendance

Applicants who are able to certify that they attended a rural primary school for at least one full calendar year will gain an additional loading as part of the assessment of the *rural experience* criterion.

## 3. Financial need

Financial need will be assessed on the basis of *taxable income* (as per the definition set out in these Guidelines in the Glossary at Section L of the 'Notes on Completing the Application Form') over the last two financial years and an estimate of income for the current financial year.

### No assets test will apply.

Where no *taxable income* is received during the previous financial year/years, a Statutory Declaration must be provided to this effect.

Applicants who have not received an Australian Tax Office Notice of Assessment for any period covered by the application provisions will be required to submit PAYG statement/s and Group Certificate/s.

Please see the Glossary at Section L of the 'Notes on Completing the Application Form' for further information on *taxable income*.

Applicants will be assessed as either dependent or independent (see Section E of the 'Notes on Completing the Application Form'). Where the applicant is assessed as dependent, both a personal and parental income test will be used to determine financial need. For those assessed as independent, personal and partner (if applicable) income tests will be used to determine financial need.

## Payment

Scholarships have a value of \$10,000 per annum (GST exempt) per student for the duration of undergraduate or graduate study, with a maximum amount of \$40,000 per student over a four year period. Under the Scheme any study at honors level beyond the length of the undergraduate course will not be covered by the scholarship.

Payments will be made by the Guild in monthly instalments of \$1000 for 10 months of the calendar year via direct Electronic Funds Transfer (EFT).

## Tax

Scholarships are exempt from income tax under the Income Tax Assessment Act 1997. Group Certificates/PAYG Payment Summaries will not be issued.

## Centrelink Benefits

Students applying for, or in receipt of, Australian overnment benefits through Centrelink, such as Youth Allowance or AUSTUDY, should seek advice from Centrelink on how the receipt of a scholarship will impact on their Centrelink benefits.

## Repayment of funds

If the scholarship holder ceases to fulfill the terms and guidelines of the scholarship and fails to inform the Guild, they will be required to repay funds received from the time they ceased to be eligible.

It is in the scholarship holder's best interest to notify the Guild if they cease to fulfill the terms and guidelines of the Scholarship. In the event that a scholarship is withdrawn due to an ongoing substantial increase in personal income, the scholar will be required to forgo the remainder of their scholarship without further penalty.

## Appeals Process

Applicants who were not awarded a scholarship, and believe their particular situation has not been addressed adequately, may lodge an appeal. In order to have their appeal considered, applicants should submit an appeal statement to the Guild within 21 days of the date of the email advising them that their application was unsuccessful.

The eligibility criteria for the scholarship relate to rural experience and financial circumstances. Therefore, grounds for appeal must be based on these eligibility criteria and the statement should set out clearly the grounds on which the appeal is based. Each appeal will be assessed, any extenuating circumstances and/or specific situations will be considered and the appellants' rankings will be reassessed against other applicants. The results will determine which appellants, if any, are successful in obtaining a scholarship.

## Ongoing Eligibility

Once awarded a Scholarship, participants will maintain their scholarship payment eligibility provided that they continue to meet the eligibility criteria.

## Annual requirements

Scholarship holders will be required to provide documents to demonstrate ongoing eligibility. These documents include:

1. Notice of Assessment from the Australian Tax Office for the previous financial year. Scholarship holders whose income is considered to have increased substantially from the previous financial year will be contacted and advised that substantial increases in personal taxable income will affect ongoing scholarship eligibility.
2. Academic results from the previous year
3. Confirmation of enrolment for the current academic year
4. Confirmation of membership in the relevant Rural Health Club
5. Applicant Term Details form
6. Mentor Details form and Mentor Report on participation in the Rural Pharmacy Mentor Program
7. End of Year Report against their Learning Plan and on the rural activities undertaken during the academic year. This report may also seek other reporting information from the scholar.
8. Learning Plan
9. Scholar Agreement.

All forms and documents must be submitted electronically.

Scholarship payments for the year will not commence until all the required documents are received and ongoing eligibility is confirmed.

Scholarship holders and Mentors may be required to participate in annual surveys or longitudinal studies.

## Deferral

Scholarship holders who defer their studies and who are granted a deferral by the University may defer their scholarship for one year only. The Guild must be informed of any deferrals and provided with evidence of approval of deferral from the University.

Scholarships may not be deferred in the year they are offered. The Conditional Scholarship will be withdrawn and may be awarded to the next highest ranked applicant.

## Withdrawal

Scholarship holders who withdraw from their course will forfeit their scholarship. There will be no requirement to return any scholarship funds paid prior to the date of withdrawal.

## Failure

Scholarship holders who fail to meet the academic requirements of the course and are permitted by the University to continue their study will have their scholarship suspended until such time that they provide evidence that they have met the academic requirements. Scholarship holders who fail to meet the academic requirements of the course and are excluded from further study will have their scholarship cancelled.

Scholarships will be paid to full-time students only, and scholarship recipients are required to advise in writing to the Guild of any change in enrolment status.

## Rural Pharmacy Scholarship Mentor Scheme

Scholarship holders will be required to participate in the Rural Pharmacy Scholarship Mentor Scheme. Scholarship holders must nominate a rural pharmacist of their choice to work with as a mentor. Continuing eligibility will be dependent on a report from the mentor indicating satisfactory participation in rural activities. Inadequate participation may lead to suspension or forfeit of a scholarship.

Mentors must be a pharmacist who is working or has worked within an Australian rural location. The mentor will be eligible to receive an honorarium of \$375 (GST exclusive) each year of participation. The amount will be paid directly to the mentor within 30 days of receipt of a completed Mentor Report and Mentor Details form.

Scholarship holders are required to develop a Learning Plan with their mentor, have ongoing contact on at least a quarterly basis, and undertake appropriate rural activities. Further details on the Rural Pharmacy Scholarship Mentor Scheme are available at [www.ruralpharmacy.com.au](http://www.ruralpharmacy.com.au).

### Important Information

These Guidelines are intended to provide consistency and certainty in respect of the administration of the Scheme but it should also be noted that they are not legally binding on the Guild or on the Australian Government. The Guild may depart from these Guidelines in individual situations where circumstances warrant.

These Guidelines may be revised from time to time. The Guidelines are administrative and reflect the intention of the Guild and the Australian Government as to how the Scheme is to be administered. The decision to grant a scholarship is entirely discretionary, and these Guidelines do not confer any entitlement to a person to receive a scholarship. Neither the Guild nor the Australian Government will accept liability for any loss or damage incurred by a person in expectation of the grant of a scholarship.

Please note that the Program Specific Guidelines that govern all of the Rural Pharmacy Programs undergo a continuous quality improvement process, which may result in revisions to the guidelines from time to time. All revisions will be undertaken in conjunction with the Department of Health and Ageing and may involve a consultation process.

Without limiting its rights at law or otherwise, the Guild reserves the right in its absolute discretion at any time to suspend, amend or vary the Guidelines.

The Guild may provide the Australian Government with information about the assessment and allocation of scholarships and on any legal issues that may arise in relation to a particular scholarship.
